## WELCOME TO ISSUE 2

**Whitby School is your new school; where pupils aim to do their very best and take pride in their achievements. By constantly challenging our pupils to excel, we will nurture aspirations and strive to cultivate a lifelong love of learning in our young people.**

We will provide a creative, safe, and caring environment where every child is known and cared for as an individual. In this climate, every young person can thrive as they develop in personality, character and intellect and become a highly successful learner and individual.

We believe we can provide a unique education for our young people. As a school at the heart of the community it serves, we will work in partnership to ensure our children not only receive a broad and balanced education but also allow them to enjoy the area they live in and make a positive wider contribution to the area.

# OUR VISION AND VALUES

Our values embrace the high aspirations and opportunities we will create for our pupils and students at Whitby School as we encourage them to excel and develop both personally and academically.

**“I will endeavour to be a person of great character who has the courage to realise my ambitions.”**

- Endeavour** Striving for excellence to reach our potential.
- Courage** Exploring new opportunities with determination for personal growth.
- Ambition** A strong desire to succeed in achieving our goals.
- Character** Demonstrating qualities of honesty, integrity, kindness and respect in all we do.

## ENDEAVOUR

Our school is a place where pupils will try their best to achieve, and we will support them in all their endeavours. We will teach and encourage our pupils and students to strive for academic excellence and success and to apply themselves with determination. We will demonstrate how focus and engagement with their learning will provide opportunities, experiences and success in their future endeavours.

## COURAGE

Our vision is for our children to explore new opportunities, develop new skills and do what is right without fear. We will ensure our pupils and students are exposed to many experiences and opportunities to foster the courage and determination to succeed. We will encourage pupils to use their initiative, step outside their comfort zone, develop personal discipline and understand how to be safe and healthy as individuals and through their relationship with others whilst promoting a sense of belonging.

## AMBITION

We will encourage and teach our children to pursue their personal ambitions, to strive to achieve and develop the skills and qualities required to succeed. Our school will provide opportunities to explore different learning and career pathways allowing pupils and students to be ambitious and bold with their future options.

## CHARACTER

We are committed to teaching our pupils and students to think and behave with great character where they reflect the qualities that define their individuality, our school and wider community. We aim to provide a safe, creative and caring space where every pupil and student is known and cared for as an individual, where our pupils and students show kindness and behave in a fair and honest manner, act with integrity and care deeply for their peers and wider community.

# 2026 TRANSITION ARRANGEMENTS

## Enhanced Transition Days - Wednesday 10 June

These are for pupils who have been identified by their primary schools. These are additional days to the whole school transition programme. Pupils and parents will receive a personalised invite in the post very soon, confirming the date. On the enhanced transition days Whitby School will arrange all transport to and from your son/daughter's primary school. Primary schools will be provided with a confirmation list of the pupils involved. If you believe your child requires enhanced transition but has not been identified by their primary school - please get in touch with us by email.

## We're here if you need us...

We appreciate that some families may wish to speak to members of the Year 7 Team before transition, therefore we're offering an opportunity to drop in on **Wednesday 24 June, 4.00-6.00pm** and **Wednesday 1 July, 4.00-5.00pm** so that you can have any questions or queries answered prior to your child's arrival the following week.

This is not a compulsory event, but all families are welcome to pop in and say hello if they wish to. We will have some blazers available to try on for size should you find that helpful and the kettle will be on too! If you're unable to attend on this occasion, and still wish to speak to someone then you can call on the evening itself, or send an email.

## Transition Days for all pupils - Tuesday 7, Wednesday 8 and Thursday 9 July

All pupils to attend all days. Pupils arrive at Lower School site, Airy Hill for 8.55am, school day ends at 3.30pm. Pupils will be greeted by members of staff on their arrival and directed to the sports hall. Pupils will gather in their tutor groups. A programme of activities for the three days will be shared with your son/daughter. Pupils to wear primary school uniforms. If your son/daughter will be travelling via school transport, please ensure they are dressed visibly in their primary uniforms so they can be identified by transport companies. If travelling via train, Whitby School staff will meet pupils at the train station and direct to the mini bus which brings the children to the school site (your son/daughter is not required to walk from the station to school). Pupils who walk can arrive on the site via the footpath at the rear of the school, or via the footpath at the front entrance off the New Bridge. Any worries or queries please get in touch by email.

Best wishes,

## Uniform Dress Guide Rules

<b>Make-up and Jewellery</b>	Discreet make-up is permitted. Excessive makeup will not be tolerated. No jewellery should be worn. This includes rings, nose studs and wrist bands etc. If ears have been pierced, plain studs (3mm diameter – only one per ear) may be worn and removed for PE (only one pair of studs may be worn at any time). Ears should only be pierced in the ear lobe. No other body piercing is allowed. False nails must not be worn.
<b>Hair</b>	Pupils' hair styles must be reasonable – we do not allow more extreme hair styles eg, bright/multi-colours or Mohican cuts. Head scarves are not to be worn, except for religious reasons, and hair bands can only be worn if thin and black. Pupils considering a radical change of hairstyle should check with their Care and Achievement Coordinator in advance to ensure that it is within School guidelines.
<b>Outer Clothing</b>	We recommend a simple and inexpensive waterproof coat that completely covers the school blazer. Although hats and scarves are not part of the school uniform, they may be worn in very cold weather, but they must be removed inside school buildings. Denim jackets, hoodies and heavily branded jackets or coats with large slogans must not be worn.
<b>Footwear</b>	Pupils must wear plain, black, polishable footwear at all times during the school day, except for when they are having PE lessons or taking part in extracurricular sport activities. Shoes should be waterproof and should be polished regularly. During very cold or wet weather, pupils may wear waterproof boots to school, but these must be changed for school shoes as soon as they arrive in school.
<b>PE Kit Footwear</b>	Non marking sporting trainers with laces, which are designed to support pupils' feet during physical activity. Pupils are not permitted to wear school shoes, plimsolls, Converse, Vans or High Tops.  Pupils are expected to change for every PE lesson.

# MEET THE TEACHER - MISS SPENCER

**Hello Year 6 pupils, I am in charge of the Maths department so obviously maths is my favourite subject. Although I currently do not teach lessons on the lower site, I will be in some of your lessons so I can see how everyone is getting on.**

I am looking forward to meeting you all and I hope you are looking forward to maths lessons. I was new to Whitby School in September so I know how it feels to be new to school. I quickly figured out where everything was and everyone was kind and helpful when there was something I did not know. I am sure you will be a little nervous to start in September but in no time you will feel like you have always been here.

Maths lessons at secondary school should not feel too different to how they are now. You will look at number, shape, algebra and probability/statistics, just like at primary school. When you join us in September you will start by looking at sequences. To help you feel prepared I have included a few little challenges for you to have a go at. We will include the answers at the end of the newsletter so you can check.

The key part of sequences is to learn how to spot patterns. Sometimes the patterns do not even contain any numbers! Can you spot the patterns below and extend the sequence?

2, 4, 6, 8, ....

4, 7, 10, 13, ....

20, 15, 10, 5, ....

4, 8, 16, 32, ....

M, T, W, T, ....

J, F, M, A, M, ....

S, M, H, D, ....

## MEET THE HEAD

Miss Caddell enjoyed meeting pupils as part of the rewards events.

We had so many pupils for Prospect Hill site 'Meet the Head' rewards that we struggled to get in a photo and we like the outtake!

Whitby school

Each week staff are being asked to nominate a pupil to receive a golden ticket to be entered into a prize draw to win a Clara's voucher.

This week on the Airy Hill Site some of the reasons pupils have been nominated are...

**Name: Molly Tutor Group: 8T4**  
**Nominated by: Mr Lane**  
**Reason: Always demonstrates the values of school. Genuine positive and pleasant nature!**

*Endeavour* - Striving for excellence to reach our potential.

*Courage* - Exploring new opportunities with determination for personal growth.

**Name: Charlie Tutor Group: 7T3**  
**Nominated by: Ms Dakin**  
**Reason: Always coming to music with a fantastic attitude and working hard!**

**Name: Stirling Tutor Group: 7T5**  
**Nominated by: Mrs Herbert**

**Name: Mylie Tutor Group: 7T2**  
**Nominated by: Miss Clarkson**  
**Reason: A significant improvement in behaviour over the past 2 weeks!**

# YEAR 7 RUGBY TOURNAMENT

Year 7s set off to Malton RUFC with the sun shining and boys pumped up ready for action.

The draw went in our favour, we successfully defeated St Augustine's and Lady Lumley's with some real confidence coming through from the team.

**Courage** is a word used at times too often, today it was deserved by them as a team. The boys stood up and gave it their all against a stubborn Norton side, the opposition taking the game to a draw in the final moments (2-2).

The final part of the afternoon was about **character**

and just pure grit and determination. Ryedale and Malton proved to be too tough for periods of the games, taking the chance of second place further away but the boys dug deep and defended the try line as best they could.

A strong learning curve for some and vital experience for others but a brilliant afternoon of rugby.

Thanks to Malton RUFC and Mr Morris for again delivering a superb district tournament. Third place to Whitby School's Year 7s.

# OUR PASTORAL CARE SYSTEM

**At Whitby School, we believe that every pupil should be known, understood, and cared for as an individual in order for them to achieve their full potential. We therefore put in place a comprehensive pastoral system to fully support your child in their school life.**

## Form Tutor

The Form Tutor is the member of staff who will get to know your child best throughout their school life. The Form Tutor will meet and register your child each morning and mentor your child in their school life and studies. You can contact your child's Form Tutor by email if you have any queries or concerns.

## Care and Achievement Coordinator (Pastoral Manager)

Every pupil has a Care and Achievement Coordinator for their Year group, who oversees each child's academic progress, attendance, and wellbeing. Our Care and Achievement Coordinators ensure your child receives effective and appropriate support to ensure they achieve their full potential. They will be your first point of contact should you need to contact us or if you have any queries. Our Care and Achievement Coordinators are available to be contacted by telephone, email, and text message between 8.30am and 4.00pm every day and will check messages regularly. They will liaise with the Head of School, Form Tutors, teachers, and other staff to ensure they

receive the support they need to succeed. Year 7 Care and Achievement Coordinator is Miss A Clarkson, you can contact the Care and Achievement Coordinator by emailing [hoy7@whitbyschool.co.uk](mailto:hoy7@whitbyschool.co.uk) - they aim to reply within 2 days.

## Head of Lower School (Key Stage 3)

Our Head of Lower School will ensure that all pupils in Year 7 make excellent progress, and that they receive the support and encouragement they need to succeed and achieve their potential.

## Attendance Officer

Our Attendance Officer works with pupils, parents, staff, and external agencies to ensure that any barriers to attendance, access or learning in school are removed. Pupils can also make appointments to talk to our Attendance Officer about any concerns they may have, and to access appropriate support.

## Special Educational Needs Coordinator

Our Special Educational Needs Coordinator works with the senior staff and the pastoral team to ensure that all pupils receive the support they need to succeed. Our SENDCo also runs the LEXIA and Thinking Reading programme for pupils who require additional support with literacy, as well as working with external agencies.

## OUR SEND OFFER

**It is a pleasure to update you on some of the many excellent Special Educational Needs initiatives we use so that all pupils can settle in and have a productive start at Whitby School in September.**

### **Our main purpose is:**

- to identify support needs as early as possible through a system of referral and assessment
- to provide a range of sensitive and effective responses to individual needs
- to facilitate full access to a broad, balanced education taking into account the requirements of the national curriculum
- to build links with parents as partners. To encourage their participation in the decision-making process to support their child's/young person's education
- to facilitate staff development related to SEND issues
- to develop links with external agencies and educational support services
- to seek the views of the pupils/students and take them into account during the decision-making process
- to monitor the provision and the progress made.

We provide classrooms, a medical area and separate SEND room in our Upper and Lower school sites. This is perfect for pupils with SEND for their one-to-one and small group activity work as well as providing a comfortable, caring space for breaktimes. This will be ideal for those pupils who are anxious about less structured times of the school day. These spaces have been carefully considered to ensure they are at the heart of the school. This will mean that pupils have access to the support they need when they need it.

We have also have learning support in the library for pupils with social and emotional needs too.

*Mrs Kirk, SENCo*
